Osborn is now a “new registration” town, which means we can now issue license plates.

Minutes to meetings can be found on our web-site at [www.osbornmaine.org](http://www.osbornmaine.org) and posted at the town office for public viewing. A new web-site is coming soon! The next selectboard meeting is Tuesday, August 20, 2024.

Why do bananas wear sunscreen? Because they peel.  
What do fish use to buy groceries? Sand dollars.  
What did the tree say when summer finally arrived? What a re-leaf.  
Did you hear about the sunflower that was excited for summer? It wet its plants.  
Did you hear about the ice cream truck accident? It crashed on a rocky road.

The new pine tree license plates will be arriving in May of 2025. If you would like to reserve your chickadee **plate number** before the plates arrive you may get an application at the town office or go to [www.maine.gov/online/reservemyplate](http://www.maine.gov/online/reservemyplate)

Officials are in the process of planning a community day for the spring. If you would like to volunteer and be a part of the planning committee, we would love to have you! See Christy in the office for details. So far, the days plans are roadside trash pick-up on route 179, followed by a bar-b-que and ice cream social. There will be games for adults and kids. Stayed tuned for more details.
